The NCAPA would like to sincerely thank the following donors for contributing their support to the **NCAPA Endowment Helene Recovery fund.**

*"We are truly overwhelmed with gratitude for NCAPA's generous support! My husband and I have been navigating a difficult time since Hurricane Helene destroyed both of our cars, making transportation an immediate challenge. The funds will be an incredible help in getting us back on our feet. Please feel free to share our story with your wonderful donors—it's **because of their kindness and generosity that families like ours are able to receive the help we so desperately need.**"*

- Savannah Gehlken PA-SII, Relief Recipient
